

Remarks:

In the Specification:

The claim for priority has been amended to reflect that this application is a continuation-in-part of PCT application no. PCT/BE01/00222, filed December 21, 2001, which claimed priority from U.S. S/N 09/945,391, filed August 31, 2001 and Belgian application no. 2001/0085, filed February 5, 2001. The paragraph under the heading "RELATED APPLICATIONS" in the original application contained errors in that priority to an incorrect family of applications was claimed in addition to the correct priority claim.

Additionally, a corrected Declaration and Power of Attorney form is enclosed herein. This new Declaration and Power of Attorney form contains the proper claim for priority. In order to correct the errors which appeared on the filing receipt as a result of Applicant's mistake, a Request for a Corrected Filing Receipt is being sent on this same day to the Office of Initial Patent Examination's Filing Receipt Corrections.

In the event of further questions, the Examiner is urged to call the undersigned. Any additional fee which might be due in connection with this application should be applied against our Deposit Account No. 19-0522.

Respectfully submitted,

HOVEY WILLIAMS LLP
